OCCUPATIONAL HEALTH & SAFETY POLICY

OUR COMMITMENT

Protector Air Care is committed to making sure that all workers are safe from injury and risks to health while at work. The Managing Director as the key Officer for the company considers that the health, safety and welfare of our workers, customers, contractors and members of the public that maybe be affected by the company activities is of primary importance and is ranked equally with all other activities of the company.

OUR AIMS AND OBJECTIVES

We aim to provide a healthy and safe work place and will comply with all legal requirements to provide the following:

- A safe and healthy working environment for all our workers and contractors.
- Safe systems of work and plant and materials in a safe condition.
- The necessary information, instruction, training and supervision to make sure that each worker is safe from injury and risks to health.
- Effective ways of consulting with the workforce and their representatives on all occupational health, safety, and welfare issues.
- Effective ways of reporting, recording, and investigating all injuries, work-related illness and 'near misses' in the workplace.
- Effective rehabilitation measures for workers who suffer work-related injuries and illness.
- A safe environment for all customers and visitors.
- An annual review and legislation changes of the systems and procedures to strive for ongoing improvement in health, safety and welfare performance.
- To eliminate/minimise incidents/accidents on all our work sites as far as reasonable practicable, by ensuring that all policies and procedures are adhered to and to set a target for the reduction of all incidents/accidents of a minimum of 20% or more if achievable in all our work sites.

RESPONSIBILITIES

Safety Responsibilities for all functions within our organisation are clearly defined within our documented Occupational Health and Safety Management System and an associated safety handbook, a copy of which all workers are expected to acknowledge and sign.

Our company requires that all workers and contractors should cooperate in the achievement of these objectives to assist in the prevention of injury to themselves and others.

A copy of this policy will be displayed in our office and copies available to any interested parties.
